Call for Donations

Since February 24, 2022, Ukraine has been engulfed in the fire of war. Our Army and our brave Soldiers together with civilian population hold strong against unprecedented and barbarous aggression. We at Enamine have united to resist at our level the Russian invasion. We have created a charity fund to support Ukraine in several ways:

- non-lethal military aid to enhance defence of Ukraine,
- provision of medical supplies to hospitals,
- sponsorship for science and education,
- social support for our employees.

We will greatly appreciate your donations which can be provided in multiple currencies to the accounts below.

IMPORTANT! Please indicate the purpose of payment as “**charitable assistance**”.

In order to track your donation please inform us about it also by email: info@enamine-fund.org. If you have any particular purpose of donation (e.g. “medicines”, “social help”) please indicate it in your email. Please also contact us by email if you have any questions about the fund.

Thank you for your support!
